

# Legal Module

Release Date: June 27, 2005

# Legal Module Introduction

- Enhance existing functionality to streamline the Legal module
- Legal Record
- Legal Action
- Legal Status
- Outliner

# Legal Record

- One Legal Record per participant per case
- Created from Create > Case Work > Legal > Legal Record
- Used as the single access point to record Legal Actions and Legal Statuses
- Displays all Legal Actions with associated Legal Statuses
- Allows existing Legal Actions or Legal Statuses to be copied for the participant or other participants in the case
- Displays Legal Documents associated with the participant

# Legal Record

Legal Record - Microsoft Internet Explorer provided by DHFS - State of Wisconsin
